

## **Diesel Truck Mechanic**

US Transport is looking for experienced Mechanics.

### **MUST HAVE OWN TOOLS.**

DOT and Bulk Trailer experience a plus but not a requirement.

- Perform work as outlined in repair order with efficiency and accuracy
- Diagnose cause of malfunction and perform needed repairs
- Communicate with Parts Department to obtain needed parts/supplies
- Advise Lead Mechanic or Shop Supervisor if additional work is needed; if work on repair order is not needed, or if job will take longer than expected
- Document all work performed
- Thorough understanding of electrical systems, sensors, wiring and ECU's
- Perform other duties and special projects as assigned
- 2 – 4 years' experience in a "full service" maintenance facility preferred
- Must be able to work independently and stay focused on job assigned
- Must possess strong trouble shooting skills to assess needed repairs
- Must submit to and pass pre-employment drug and alcohol screen

We offer a competitive salary with a shift differential and excellent benefits plan, including:

- Health, Dental, Vision Insurance
- Life Insurance Policy
- PTO Program
- 401(k) w/ Company Match
- Paid Holiday
- Cummins Engine Training

Candidates must be able to pass a pre-employment drug screen and DOT Physical. Employees will be subject to drug and alcohol screening per DOT regulations.
